## CREA Membership

The Commercial Real Estate Alliance (CREA) is a statewide organization of commercial real estate professionals under ICBR, not affiliated with the REALTOR® trademark.

Membership with CREA is on an individual basis and is not regulated by the one-member-all-member requirement set forth by the National Association of REALTORS® (NAR). The Alliance provides licensed real estate professionals unable to become a REALTOR®, a community in which they can network, learn, and grow professionally with other commercial real estate professionals from around the state.

## REALTOR® Membership

The Indiana Commercial Board of REALTORS® is Indiana's only statewide board dedicated to commercial real estate. A REALTOR® is a member of the National Association of REALTORS®. REALTOR® membership is required for all licenses under a managing broker who is also a REALTOR®.

There are two types of REALTOR® membership:

- Primary – pay national (NAR), state (IAR) and local (ICBR) dues through ICBR.
- Secondary – Already a member of an Indiana board of REALTORS®.
